

Catalog # **15**
 Bay Warmblood filly

Gracie

Born: May 13th 2007

Gracie is a lovely, tall and elegant filly that looks to be a fine Hunter / Dressage prospect. She is kind, smart and very willing to learn. Very calm attitude. Gracie should mature close to 17hh – this is a big filly with spectacular confirmation. She moves very well and shows good talent in the jumping chute, considering it was her first time to go down the chute. Very graceful. An extremely well bred filly – Holstein and Dutch. Grow her up, enjoy your show career and then produce some wonderfully talented offspring CWHBA Identification papers
