Candyman

Bay Dutch/Holstein Warmblood Stallion

Born: May 29th 2004

Candyman is currently being used as a breeding stallion. As you can see from his pedigree, he is very well bred. Salute, is currently showing in dressage in California. High Noon is showing in Idaho and has been Champion of his show jumping divisions. Highlight was shown very successfully by Hap Hansen at Spruce Meadows and in California. His impressive pedigree has Patrick in his background who was the first Dutch Warmblood Stallion imported to Canada by plane back in 1975. On his dam's side is Cassandro, who competed at the PanAm games and was trained to very high levels in Dressage. For more on the stallions, refer to the stallion page. Candyman has been started, is a lovely mover and loves to jump the high jumps. He is agile, playful and has a lovely trot. Certificate of Identification.
