# Lucretia

Chestnut Dutch Warmblood mare

Born: July 2<sup>nd</sup>, 1993

This is a beautiful chestnut mare who consistently throws correct, tall and athletic foals. She has not been started for riding as she has only been used for breeding. She is being bred to Magnum for a 2009 foal. Quiet with a gentle temperament, she is easy to work with. Her sire, Herald received a 10 for his jumping at the CHBWA inspections. Herald goes back to Ramzes[HOL], a very influential Stallion in Europe that you will find in the breeding background of many successful jumping horses. Also in her pedigree is Rossini, a proven, successful producer of Dressage horses. The colt by her side is by Magnum, Dutch WB - BC-[CAN]3660-03. Certificate of Identification.
