## Brigadier General

Black warmblood gelding

Born: April 8<sup>th</sup> 2002

BRIGADIER GENERAL is a fantastic, tall, big strided, lofty moving gelding and is a registered Canadian Warmblood, 16.2 hands by Vulcaan out of the full Dutch mare India who is by the famous Grand Prix jumper and dressage horse Argus. He is a half brother to the mare that went to the Paralympics in Hong Kong this year. Brig has a beautiful trot which has plenty of natural suspension. He is playful and fun and is a real "people" horse. He was well started and has a great work ethic, however, has not been ridden recently. If your plan is higher level Dressage and/or Grand Prix jumping or Eventing, you need to take a good look at this horse. He can take you to the top! Check his video at the sale web site and you will see him trotting up and over 4'3" with ease, clearing with plenty of room. A very talented horse for the serious competitor.
