

Catalog# **6**
 Grey and white Warmblood mare

Paloma

Born: 2004

Here is your coloured warmblood! And the favourite grey colour too – both highly sought after for their unusual markings in the show ring. Paloma is friendly, cute and personable. She had her first foal last year, a very similarly marked grey and white filly. Paloma is unstarted and once her foal Belinda, catalog# 5 is weaned, she is ready to get busy. She does have a scar on her right front at the front, just above her hoof, it causes no unsoundness but is a blemish. She is a lovely, compact well put together mare with great bloodlines as well.
